\_\_\_\_\_

Santa Ynez Valley MOPS wants to include any mother who wishes to join MOPS regardless of her financial situation. Because we believe that all requests for assistance should be honored on a true need, we offer a limited number of scholarships.

Because we want to be a good steward of the funds available, please prayerfully consider what your family can contribute toward the cost of MOPS and make your request for only the amount necessary to enable you to attend MOPS. Whatever you can contribute towards your fees will allow us to help the maximum number of women possible. We ask that you keep the scholarship and the amount received confidential, and we will do the same.

MOPS Fees include \$31.95 for MOPS International dues, \$35.05 for first semester local dues, and \$35.05 for second semester local dues. Full and half scholarships towards local dues are available.

### I am requesting the following scholarship for MOPS:

- Half Scholarship\* (\$17.53 for first semester and \$17.53 for second semester local dues)
- Full Scholarship\* (\$35.05 for first semester and \$35.05 for second semester local dues)
- Other Amount (Please specify: \_\_\_\_\_)

\*Applicant responsible for \$31.95 MOPS International Dues.

I understand that each application is looked at individually and evaluated by the MOPS Coordinator and the MOPS Finance Coordinator. This process is confidential.

Signature: \_\_\_\_\_
