MOPS

SYV Mops Leadership Application

MOPS believes moms are world influencers and we've been placed in this time in history as a tribe of women in this journey of motherhood together. We believe that incubating hearts and giving just-because-hugs can change the course of history. That's why MOPS connects moms all over the world to a community of women, in their own neighborhoods, who meet together to laugh, cry and embrace the journey of motherhood. MOPS groups are rallying women to be more honest, to feel more equipped and to find our identity by journeying along side one another. We are moms, and we believe that better moms make a better world.

The SYV MOPS Leadership Team is committed to this vision for our group: Our MOPS group is a place of genuine community centered around Jesus where moms can find support, rest, friendships, fun, and meaningful discussion while discovering their value in Christ.

Please complete the application below if you have a heart for serving moms in our community!
